Father & His Family

Father & His Family E.W. Kenyon

Kenyon covers the reason for creation, man's treason, the dominion of death, man's need for a mediator, the sin bearer, the new birth, the family of God, the household of God, claiming your rights and many more topics. While many of these truths are expounded by many writers, few have communicated them as simply, as eloquently and as lovingly as E.W. Kenyon. This book is an unveiling of the Plan of Redemption, and should be read and studied by every child of God. As in all of Dr. E. W. Kenyon's books, deep and profound truths are presented in a clear and simple way that will astound you. As you read and re-read this book, the Bible will unfold to you, and the Word of God will become a living reality! Ministers -- many with long and illustrious preaching careers -- have told us that after reading and meditating upon the truths unfolded in this book that many truths they have preached upon in theory, suddenly became real to them. This book contains the answers to many questions that puzzle the average Christian. It is especially good to hand to a new convert, as it will answer so many of their questions. It is suitable as a Bible study as well, and helpful questions will be found at the end of each chapter.
