Pope Benedict XVI

Joseph Ratzinger in Communio, Vol. 2: Anthropology and Culture (Ressourcement: Retrieval and Renewal in Catholic Thought) Pope Benedict XVI

Timely theological insights on culture and humanity from the pen of the Pontiff

In this second volume of Joseph Ratzinger in Communio, Pope Benedict XVI speaks to various issues relating to humanity today -- conscience, technological security, the origin of human life, the meaning of Sunday, Christian hope, and more.

As editor David L. Schindler notes, "Cardinal Ratzinger (Pope Benedict XVI) rarely writes on any churchly matter that does not manifest its implications for man and culture, and vice versa. Indeed, this indissoluble linking is one of the main distinguishing features of his theology." This is the second of three volumes; the first deals with themes relating to the Church, and the third volume is to focus on theological renewal.
