Shooting

J. Henry FitzGerald

Shooting J. Henry FitzGerald

John Henry ("Fitz") FitzGerald worked for Colt from 1918 till 1944. **Shooting**, originally published in 1930, was the culmination of Fitz's work in the firearms field. In it he discusses his work with law enforcement and the courts, his theories and practices about practical shooting of the "one hand gun" and his thoughts about target and exhibition shooting, hunting and home defense. This was the only book FitzGerald ever wrote, but his life was clearly dedicated to all aspects of handgun shooting. While his written work might be unfamiliar to some of you, those who are reading this work for the first time should be very familiar with the writings of Elmer Keith, Charles Askins Jr., Ashley Haines and Chauncey Thomas. All these men were friends of FitzGerald and thought highly of his methods and approach. After reading this book, you will feel the same way. Paladin is pleased to add this long-out-of-print volume by one of America's most renowned and colorful shooters to its Combat Classics library. The new forewords by FitzGerald scholars Timothy J. Mullin and Kevin Williams, as well as the addition of a number of never-before published photos, shed new light on FitzGerald the man and the shooter.
