Slanted and Enchanted: The Evolution of Indie Culture Kaya Oakes

A lively examination of the spirit and practices that have made the indie movement into a powerful cultural phenomenon

You know the look: skinny jeans, Chuck Taylors, perfectly mussed bed-head hair; You know the music: Modest Mouse, the Shins, Pavement. You know the ethos: DIY with a big helping of irony. But what does it really mean to be "indie"?

As popular television shows adopt indie soundtracks and the signature style bleeds into mainstream fashion, the quirky individuality of the movement seems to be losing ground. In *Slanted and Enchanted*, Kaya Oakes demonstrates how this phase is part of the natural cycle of a culture that reinvents itself continuously to preserve its core ideals of experimentation, freedom, and collaboration.

Through interviews and profiles of the artists who have spearheaded the cause over the years—including Mike Watt, David Berman, Kathleen Hanna, and Dan Clowes—Oakes examines the collective creativity and cross-genre experimentation that are the hallmarks of this popular lifestyle trend. Her visits to music festivals, craft fairs, and smaller collectives around the country round out the story, providing a compelling portayal of indie life on the ground. Culminating in the current indie milieu of music, crafting, style, art, comics, and zines, Oakes reveals from whence indie came and where it will go next.

Then you are having problem with the book when compared with can satisfy your limited time to read it because all of this time you only find reserve that need more time to be learn. Slanted and Enchanted: The Evolution of Indie Culture can be your answer because it can be read by you actually who have those short extra time problems.

Denise Wentzel:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Slanted and Enchanted: The Evolution of Indie Culture can make you feel more interested to read.
